The Jordan Sprague Life Shines Fund and Freedom to Live Gala was started by the Sprague family. The Sprague's live in Hopewell, New Jersey and have six children. They lost their oldest son Jordan, 19, to suicide in July 2010. His loss has had a profound impact on his family and friends. Many are uncomfortable with this topic and work needs to be done to remove this stigma. In the USA, a suicide occurs every 12.95 minutes. Suicide is the second leading cause of death between the ages of 18-24. This is a killer just as surely as any disease. In the wake of this tragedy, it is the family's greatest wish to do everything they possibly can to raise awareness and support.

The Jordan Sprague Freedom to Live Gala III will be held on March 5, 2016, at the Princeton Elks Lodge in Skillman, New Jersey. This year's Gala will feature live music by The Bobby Bandiera Band, an incredible silent auction, lively dancing, scrumptious food and cocktails. Your Corporate Sponsorship to our non-profit fund is vital to our success and the money is desperately needed to address this growing health problem that has claimed so many lives. As a Corporate Sponsor, your business will be featured as a sponsor in the Gala Program at the \$150-\$1,000 levels with ads and event tickets, and special mention for other levels. We will reach thousands of families in the surrounding communities and nationwide via email, facebook, twitter and postcards, who will see your sponsorship on the Gala webpage at <https://samaritansnyc.ejoinme.org/gala2016>.
